Dear Friends of Manna House:

Manna House is truly grateful for your support of our mission to banish hunger from Central Louisiana. Thanks to your generosity and many others, our employees and a host of volunteers are able to work tirelessly from our kitchen in Alexandria to serve healthy and hot meals 365 days of the year to fellow citizens in need.

We are excited to host the APT Pro Tour, formerly Adams, on March 12 – 17, 2018 along with, the Hixson Ford Pro Am Golf Tournament and the Coco-Cola / Dr. Pepper Open. We are inviting you to participate in the tournament which together we can continue our long standing community tradition of providing nourishment to any and all who visits Manna House. It will ensure families and their children have access to a healthy meal at no cost.

In addition to achieving the goal of banishing hunger in Central Louisiana by hosting this tournament, it provides a great opportunity to promote your business as well as your personal commitment and support of the less fortunate in our community. All proceeds are dedicated to the Manna House. Additionally, there will also be a positive impact on the local economy. We anticipate over 200 professional golfers plus family members and friends to visit our local community. The hard dollars spent are then multiplied by a conservative turnover ratio of 4 times, to arrive at the economic impact of over \$500,000.

Enclosed is a list of sponsorship levels and an entry form for your golf team. Whether you're a golfer or not, your donation is a great opportunity to show your support in helping the needy in our community.

Looking forward to hearing from you by Friday, February 23 and we're very excited to work with you on this worthwhile endeavor.

If you have any questions please contact me at (318) 664-3603 or Jessica Viator, Executive Director Manna House (318) 794-6840.

May God continue to bless you and your family.

Theresa Slater, Chairperson
